

37th Annual School Days Program Monticello Railway Museum

Tuesday, May 1 & Wednesday, May 9, 2018

School Days is an opportunity for school children to ride a full-sized diesel-powered train and see displays of America's railroad heritage. Students will take a round trip train ride on vintage coaches for approximately 30 minutes. You can see an optional Operation Lifesaver presentation as well as tour railway cars which may include post office car, sleeping cars, and caboose. Please allow approximately 1 1/2 to 2 hours to ride the train and view the exhibits. Since many school field trips require parents to pay admission costs, teachers are advised that no student should be excluded because of inability to pay the cost of admission. To make your visit more enjoyable, we are limiting the number of passengers per train. Please make your reservations early.

**Rides Every 45 Minutes @ 9:30, 10:15 & 11:00.
DEADLINE FOR RESERVATIONS IS APRIL 23, 2018.**

COSTS: Students \$3.00

FACILITIES: Restrooms, gift shop, and shaded picnic area on museum grounds.
